#### **Ministry Goals:**

Master Thai Language  
Plant Baptist Churches  
Train National Pastors

*Dear Pastors, churches and praying friends.*

Praise God who is in control of everything, even worldwide pandemics. May He be glorified in all we say and do in this trying time.

#### **Schooling Coming Along**

We have all settled into the internet classes well but look forward to returning to an actual classroom. Please pray as we make progress and look forward to the day very soon that we are able to clearly communicate the gospel in Thai. It looks like schools will not open until July 1st here in Thailand. Also, my mother has worked out a curriculum and everything for the children's homeschooling. Pray that all goes well and we trust it will.

#### **Thoughts in a Trying Time**

As we consider all of the things going on in the world at this time, I think we can all agree that the world is a crazy place and only getting crazier by the day. Praise the Lord, this world is not my home and I look forward to heaven and the return of our Lord and Savior. I pray we are found watching and faithful.

#### **Immigration Extension**

Well, our experience with immigration was about what I expected, but praise God for His faithfulness and for your prayers. It looked at first like there was going to be a hang up with getting the children's extension of stay as we were informed that we needed a new letter because of the coronavirus pandemic. It looked like we would have to acquire the document and come back later. Crushing. Praise the Lord, he helped us, however, and I was able to get the document emailed to my phone after I made a few phone calls. I prayed that they would accept the email version or allow me to print it off. However, the officer who handled our paperwork then never even asked for it! All in all we were in and out in about 4 hours which was a miracle compared to 11 hour horror stories we had heard other families had to endure.

#### **Prayer Requests**

Safety, wisdom and faith.  
That we learn Thai well.  
Praise - Level 3 complete!  
Comfort in uncertain times.

**Thai Language Level Completed:** 3 of 15

Ask of me, and I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession. - Psalm 2:8
