#### Ministry Goals:

Master Thai Language  
Plant Baptist Churches  
Train National Pastors

*Dear Pastors, churches and praying friends.*

Thank you to everyone who continues to partner with us in prayer. When you pray, things start happening!

#### Sabrina is Much Better

Thank you for all of your prayers and encouragement in this trying time. It would appear that Sabrina had some sort of bad reaction to medication that she began to take for anemia that she was diagnosed with. When she tried stopping all medication at the doctor's request, she recovered and is much better. Praise God through this all.

#### Thai Group is Growing

We have seen an increase in attendance for the Thai group that I teach recently. This is very encouraging and I am looking forward to trying to start more groups like this however and wherever the Lord leads. Please pray that things will continue to move on according to His will and for His glory alone and that those in attendance who are not yet saved would come to know the Lord as their savior very soon. Amen and Amen.

#### Church Planting Vision

Prayer is the key! At this point I can teach and preach in Thai which brings me to a sufficient level of mastery to begin on the next goal I feel. Of course, I will never stop learning Thai, but it will end as my major ministry focus this November. There is a lot of opportunity out there, so please pray for some clarity.

#### A Break From University

This month we had a break from classes here at Chiang Mai University. However, we still study with private tutors every other weekday that we do not go to university. I always think that maybe we will get a chance to slow down and rest a little or breaks like this, but instead we always seem to rush to catch up on all the things we can never get to when we have class full time. Such is life. We just praise the Lord that we are privileged to be busy for Him and His work.

Ask of me, and I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession. - Psalm 2:8

Interesting Thailand Fact: The police here do not pull any cars over for anything. Now, as you might be thinking, this can be both good and bad depending on how you drive.
