Ask of me, and I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession. - Psalm 2:8

August 2022

Dear Pastors, churches and praying friends.

Thank you to everyone who continues to partner with us in prayer. When you pray, things start happening!

The New Normal

Covid restrictions have been lifted other than maybe some travel restrictions which have simply lessened. Please pray with us that Covid will no longer be the "go to" excuse which is used to rob us of access to the people we are trying to reach for Christ.

Open the Door Already!

Is it possible that we are on the verge of the breakthrough that we all have been praying for? I am excited to report that the Lord is working through your prayers there and our presence here to open some doors that were not possible before. I might finally have made contact with a man interested in studying the Bible along with a group of his friends and family. If a meeting happens, it could grow into something big, but I do not want to get ahead of myself yet. Please just pray, pray, and pray!

Church Planting Vision

Prayer is the key! At this point I can teach and preach in Thai which brings me to a sufficient level of mastery to begin on the next goal I feel. Of course, I will never stop learning Thai, but it will end as my major ministry focus this November. There is a lot of opportunity out there, so please pray for some clarity.

Witnessing at Class

Since we spend a lot of time at class, it is no surprise that both Sabrina and I find great opportunities to witness to both our Thai teachers and fellow students. Here in Thailand, religion is not seen as something that has to be left out of the classroom and we are in no way afraid to take advantage of that fact. Actually, both of us were able to share the gospel with our classes this month and are praying that the opportunities both grow and bear fruit from here. Praise the Lord!

Interesting Thailand Fact: Because Thai people believe the head is the most important part of the body, and the feet the least, they will wash socks separately when doing laundry.
